

## TSCA – PFAS | Declaration of Compliance

We hereby confirm that **CONTA-CLIP Verbindungstechnik GmbH** does not use Perfluoroalkyl and Polyfluoroalkyl substances (PFAS) in the manufacturing of our products listed in Table 2. Additionally, on January 6, 2021, the U.S. Environmental Protection Agency (EPA) issued final rules under the Toxic Substances Control Act (TSCA) to mitigate exposure to five chemicals classified as persistent, bio accumulative, and toxic (PBT). The chemicals regulated under these rules are:

TABLE 1: Chemical	CAS No.
Decabromodiphenyl ether	1163-19-5
Phenol, isopropylated phosphate	68937-41-7
2,4,6-Tris(tert-butyl)phenol (2,4,6-	732-26-3
Hexachlorobutadiene (HCBd)	87-68-3
Pentachlorothiophenol (PCTP)	133-49-3

This TSCA compliance declaration applies to the products found in **TABLE 2**, which are manufacture, sold, or distributed by **CONTA-CLIP Verbindungstechnik GmbH** in accordance with the definitions and restrictions set forth by the EPA for the five restricted PBT substances under TSCA Section 6(h) as well as PFAS-Free Products under TSCA Section 8(a)(7).

<b>TABLE 2: Products</b>	
<i>Terminal Blocks series:</i> <i>Accessories:</i>  <i>Marking Materials:</i> <i>Cable management systems:</i>	<i>SRK, RK, HSK, HSKG, ZRK, FRK, TK/TKS, PRK, PTKS,</i> <i>Endplates, cross connections, covers, test adapters, end</i> <i>stops,</i> <i>SAB MC,</i> <i>PMC, single stripes</i> <i>KDS-SR, KDSI-SR, KDS-IVR, KDS-KV, KDS-DE, KDS-FP,</i> <i>KDS-BP, KDS-FB, KDS-R, KES, KES-GB, KES-R, KES-E,</i> <i>KES-E-R, KDS-BW 1, seal plug accessories</i>

CONTA-CLIP Verbindungstechnik GmbH, hereby confirms that all above products listed in **Table 2** are compliant with the use and risk management for the five restricted PBT substances under TSCA section 6(h). We also affirm that these products are PFAS-free, in line with the reporting and management mandates under TSCA Section 8(a)(7). We remain committed to monitoring any regulatory changes and will perform reasonable due diligence, particularly regarding the reporting and management of PFAS, by obtaining and verifying information from our suppliers.
